

Dear _____

First, we would like to thank you for taking time to allow us to share our cause and our mission through Texas Legacy Volleyball Club! We are honored God has created the opportunity for us to coach and lead young athletes, but even more importantly, spread the word of God's Kingdom through our club and through Legacy Ministry.

Several years ago, Legacy founder, Katie Davis, sought to create an organization that could help change the culture of club sports. It was apparent that God seemed to be missing in the world of youth sports. Katie felt a calling to challenge the status quo. When she created Texas Legacy, the goal was to provide an opportunity to our children that combined volleyball and ministry, putting God back at forefront of human talent and passion. From that emerged Texas Legacy Volleyball Club.

Over the past twelve years, Texas Legacy as a volleyball club has grown each year although we have functioned out of multiple locations. We've been in our current facility for about four years, and wow has God moved in our new home! Our staff works passionately and diligently to create and maintain solid relationships with the families within our club. We are dedicated to working harder than ever to sustain our mission:

At Texas Legacy Volleyball Club, we are dedicated to helping young players grow and excel in the sport of volleyball.

Our goal is to provide unparalleled instruction that ensures the building of character and the development of skills and sportsmanship, while providing a fun and Christ-centered environment for our players to reach their maximum potential. With an indomitable work ethic, we believe that our players will be successful on the court and in their future experiences.

We truly believe that our mission field has been laid out before us. With this new space, we not only want to continue to grow our club, but we want to expand Legacy Ministry and use the gifts God blessed us with to bring glory and honor to Him. In order to do that, we need your help.

By sponsoring Texas Legacy (or an individual athlete), you will help provide the following:

- Funds to run Legacy Ministry
- New equipment purchases
- Scholarship monies for athletes in need
- Financial assistance for postseason fees

With these improvements and programs, we can grow our numbers within our club and our programs, thus creating more opportunity to minister to more youth and their families. We truly feel the communities of north Houston and Tomball will benefit greatly from our efforts at Legacy.

LEGACY ATHLETE SPONSORSHIP:

You can assist with an athlete's tuition to help offset/pay out their balance or post-season fees. Many of Legacy's athletes need financial assistance and this is a way you can give directly to an athlete, OR you can donate to athletes in need in general. We provide assistance of some sort to about 20% of our athletes.
